## Letter of Interest Submittal Instructions

Firms interested in being considered for selection shall respond by sending five (5) copies each of the following items, along with the five (5) required attachments, as noted below. All responses are to be mailed/delivered to:

> City of Plymouth 124 North Michigan Street PO Box 492 Plymouth, IN: 46563 ATTN: North Michigan Street Lighting Project

### Required Attachments:

- One (1) Letter of Interest (LOI)
- One (1) signed Affirmative Action Certification and associated required documents for all items with DBE goals.
- One (1) completed Current and Completed Projects (CCP) form.
- One (1) completed Active and Pending INDOT Contract Balances form. This form, when completed, will be the same for every item submitted. The CCP form above may vary from item to item depending on type of services required for the item.

NOTE: The Affirmative Action Certification, Current and Completed Projects form and Active and Pending Contract Balances forms required are available on the INDOT Website.

All Letters of Interest must be received no later than 4:30 p.m., Plymouth, IN time, on July 9, 2007, to be considered. A reply confirmation of receipt will be returned for each response submitted. When completed, selections will be announced through standard mail.

## **Selection Procedures**

The City of Plymouth will directly select consultants for the items listed above and further described herein, based on a Letter of Interest (LOI) and other required documents. The requirements for the LOI and the Consultant Selection Rating Form that will be used by The City to evaluate and score the submittals are shown below.

To be eligible for selection consideration, prime consultants and sub-consultants must be pre-qualified through INDOT. Prequalification requirements and the list of Prequalified Consultants and their approved categories may be found on the INDOT Website. A prime consultant need not be pre-qualified itself for each discipline listed in the prequalification requirements paragraph below provided that at least one subconsultant be pre-qualified in each discipline and provided further that the LOI and the contract procured hereunder shall only contemplate or permit an entity to perform work for which it has been pre-qualified.

### Requirements for Letters of Interest

A. Ge neral Instructions for Preparing and Submitting a Letter of Interest

- Provide the information requested in the LOI Content (Item B below), in the same order listed, and signed by an officer of the firm. Do not send additional forms. resumes, brochures, or other material unless otherwise noted in the item description.
- 2. LOI's shall be limited to a total of (12) 81/2" x 11" pages. Ten (10) pages for Identification and Qualifications and two (2) pages for the combined Key Staff and Project Approach, unless otherwise noted in the Project Description. The Affirmative Action Certification, Current and Completed Projects form and Active and Pending Contract Balances form do not count toward the total.
- 3. LOI's must be received by 4:30 p.m. Plymouth, Indiana time on the due date. Responses received after this deadline will not be considered. Submittals will have to include all required attachments to be considered for selection.

#### B. Letter of Interest Content

#### Identification and Qualifications

1. Provide the firm name, address of the responsible office from which the work will be performed and the name and email address of the contact person authorized to negotiate for the associated work.

- 2. Provide information regarding design liability and financial capability/insurance to cover same.
- 3. List all proposed sub-consultants, DBE/MBE/WBE status, and the percentage of work to be performed by the prime consultant and each sub-consultant. (See Affirmative Action Certification below.) A listing of certified DBE's eligible to be considered for selection as prime consultants for this RFP can be found at the "Pre-qualified Consultants" link available from the INDOT Website.
- 4. Provide the name and contact information of three (3) previous clients on similar projects that your firm has provided the subject services.
- 5. Remaining space within the ten (10) pages, Section A.1 may be utilized to provide personnel resumes, additional information concerning qualifications, etc.

#### Key Staff and Project Approach

- 1. List the Project Manager and other key staff members, including key subconsultant staff. Include project engineers for important disciplines and staff members that will be responsible for the work.
  - Address the experience of the key staff members on similar projects, and the staff qualifications relative to the required item qualifications.
- 2. Describe the capacity of your staff and their ability to perform the work in a timely manner relative to present workload and the availability of the assigned staff.
- 3. Provide a list of all current projects under the supervision of the Key Staff and the anticipated date of completion for all current projects.
- 4. Provide a description of your Project Approach or of your approach to the advertised services. For project specific items confirm that the firm has visited the project site. For all items address your firm's technical approach. understanding of the project or services, cost containment practices, innovative ideas and any other relevant information concerning your firm's qualifications for the project.

#### Requirements for Affirmative Action Certification

A completed Affirmative Action Certification form must be submitted. The consultant must identify the DBE firms with which it intends to subcontract, include the contract participation percentage of each DBE, and list what the DBE will be subcontracted to perform on the Affirmative Action Certification Form. Copies of DBE certifications, as issued by INDOT, for each firm listed are to be included as additional pages after the form. If the consultant does not meet the DBE goal, the consultant must provide

documentation in additional pages after the form which evidences it made good faith efforts to achieve the DBE goal. Please review the INDOT <u>DBE Program</u> as applicable based on any goals set and complete the DBE Affirmative Act Certification Form as applicable. What constitutes good faith efforts is explained in detail within the INDOT DBE program information referred to above. INDOT's DBE Program Information is available at INDOT's Website.

A listing of certified DBEs eligible to be considered for selection as prime consultants or sub-consultants for this RFP can be found at the "Pre-qualified Consultants" link available from the INDOT Website.

DBE subcontracting goals apply to all prime submitting consultants, regardless of the prime's status of DBE.
